**CITY OF COOLIDGE
CITY COUNCIL ACTION FORM**

**SUBJECT: PLH Storey Infrastructure &
Services Plan**

**STAFF PRESENTER: Gilbert Lopez,
Development Services Director**

RECOMMENDATION

It is recommended that the Mayor and City Council approve the Infrastructure & Services Plan for the PLH Storey Annexation.

DISCUSSION

This plan is required as part of any annexation the City does. Arizona Revised Statute requires the preparation of an infrastructure and services plan outlining the services to be provided by the City upon the annexation of property into the City Limits. This plan was prepared by the City's Development Services Department and follows a standard template that has been used for these general studies on previous annexations. The plan must be presented and accepted by the Mayor and City council prior to the adoption of an annexation ordinance for the area that will be served by the City.

FISCAL IMPACT
