cut with the robust 11-Gauge fabricated cutting deck and 3 Gator mulching blades. The mower deck adjusts effortlessly to height ranges of 1.5 in. - 4.5 in. with the foot-assisted deck lift. Swisher's patented Rapid Response Control System gives you superior control and comfort, while the fluid 360° turns and low center of gravity offer ultimate maneuverability. The full-engine wrap, composite fenders with integrated storage, battery compartment, cup holder, hour meter, 12-Volt adapter, 8 Gal. fuel capacity, and a front and rear hitch make this the ideal machine for your property. The Swisher Zero Turn is so enjoyable; you may even want to tackle your neighbor's yard. Get in the driver's seat, ROPS standard. Not for sale in California.
