Re: PC-140319 – Aggregate, Slurry & Portland Cement

The purpose of this modification is to extend the term of Pinal County's contract for Aggregate, Slurry & Portland Cement with:

CalPortland
Cemex – Phoenix
Cemex – Tucson
Kalamazoo Materials
Southwest Rock Products
Vulcan Materials

This will be the third option period, from September 3, 2017 through September 2, 2018. There is one option period remaining.

The County spent approximately \$720,000 for these materials in the past year. It is anticipated that a similar amount will be spent in the coming year.

The Board is also requested to authorize the Finance Director to approve and sign resulting purchase orders and related administrative documents. All other terms and conditions remained unchanged.

Respectfully submitted,

Elizabeth Zink, CPPB
Procurement Officer
