Victim Link Subscription

SUBSCRIPTION SCOPE

For organizations who subscribe to Victim Link, the price list is all-inclusive. Victim Link is a cloud-based technology and there is no software or hardware on-premise, owned or managed by Coolidge City. It includes a subscriber-facing secure portal for receiving contact from victims within the appropriate region or jurisdiction. It includes alerts & notifications provided directly to designated staff. It provides content and tools for improving staff response to victims. It includes resources to raise community awareness and execution of agency-specific outreach.

CITIZEN-FACING COMPONENT (FREE): Voice, mobile, text message and web (Seek Then Speak)

SUBSCRIBER-FACING COMPONENTS: Cloud-based case review and admin portal (app.VictimLink.com)

CONFIGURATION: Configure Victim Link for Coolidge City; Notification settings, access control configuration.

TRAINING: Facilitate a train the trainer class via web conference.
