

City of Coolidge Public Hearing Regarding Use of CDBG FUNDS

The City of Coolidge is expected to receive approximately \$139,112 in FY 17 Federal CDBG funds from the Arizona Department of Housing Regional Account (RA). The City also intends to apply for \$300,000 in FY 17 CDBG funds from the State Special Projects (SSP) account funding. CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. Based on citizen input as well as local and state planning objectives several potential projects have been selected to be forwarded to the State of Arizona with a request for funding. A public hearing will be held at the regular City Council meeting at 7 p.m. on August 14, 2017 at the Coolidge City Council Chambers, 911 S. Arizona Boulevard, Coolidge, Arizona to discuss the potential projects. It is expected that the City Council will select the final projects at this hearing and adopt applicable resolutions. The Potential CDBG Projects are named and described as follows:

Regional Account

Housing Rehabilitation: \$139,112 for housing rehabilitation for approximately 2 owner occupied housing units whose owners are low income and are at or below 80% of area median income.

State Special Projects Account

Housing Rehabilitation: \$300,000 for housing rehabilitation for approximately 3 owner occupied housing units whose owners are low income and are at or below 80% of area median income.
